

CHAPTER EIGHT

Bibliography - Formal Presentations and Publications for the FAA Office of Aviation Medicine Human Factors in Aviation Maintenance and Inspection Research Program, 1989-1993

The following is a listing of over 100 presentations and publications resulting from the [FAA](#) Office of Aviation Medicine Human Factors in Aviation Maintenance and Inspection Research Program, 1989 through July 1993.

Dr. William T. Shepherd

Shepherd, W.T. Committee Member. *National Plan for Aviation Human Factors*. Throughout 1990.

Shepherd, W.T. (1991). Demographics of aviation maintenance technicians for the nineties and beyond. In *Challenges in Aviation Human Factors: The National Plan*.

Shepherd, W.T. (1991). Human factors in aircraft maintenance and inspection. In *Proceedings of the 1991 International Conference on Aging Aircraft and Structural Airworthiness*. NASA Conference Publication 3160.

Shepherd, W.T. (1992). (title). In *Proceedings of the FAA/NASA Conference on Artificial Intelligence and Human Factors in Air Traffic Control and Aviation Maintenance*. Daytona Beach, FL.: Embry Riddle Aeronautical University.

Shepherd, W.T. (1992). Integrated information systems for anti/de-icing work environments. In *Report of the FAA International Conference on Airplane Ground De-Icing*. FAA Flight Standards Service.

Shepherd, W.T. (1992). Issues in aviation maintenance human factors. In *Report of the Flight Safety and Human Factors Regional Seminar*. ICAO: Cairo, Egypt.

Shepherd, W.T. (1992). Aircraft maintenance challenges and human factors solutions. In *Report of the Flight Safety and Human Factors Regional Seminar*. ICAO: Mexico City.

Shepherd, W.T. (in press). Human factors in aircraft maintenance and inspection. *ICAO Digest*.

Shepherd, W.T. & Johnson, W.B. (1991). Aircraft maintenance challenges and human factors solutions. *Proceedings of the ICAO Flight Safety and Human Factors Seminar*. Bangkok, Thailand.

Shepherd, W.T. & Johnson, W. B. (1993). Human factors issues in commercial aircraft maintenance and inspection - applications of advanced technologies. In *Proceedings of the 5th International Conference on Structural Airworthiness of New and Aging Aircraft*. June 16-18, 1993. Germany.

Shepherd, W.T. & Parker, J. F. (1991). Future availability of aircraft maintenance personnel. In *Proceedings of the 35th Annual Meeting of the Human Factors Society*. San Francisco, CA: Human Factors Society.

Galaxy Scientific Corporation

Johnson, W.B. Committee Member. *National Plan for Aviation Human Factors*. Throughout 1990.

Johnson, W.B. Session Chairperson. American Institute for Astronautics & Aeronautics. April, 1990.

Johnson, W.B. Speaker. "Human Factors and Training in Maintenance." US Air Transport Association - Maintenance Training Committee & European Air Transport Association. May, 1990.

Johnson, W.B. (1990). Intelligent tutoring systems for technical training: Progress and obstacles. *Proceedings of the Topical Meeting on Advances in Human Factors Research on Man-Computer Interactions: Nuclear and Beyond*. LaGrange, IL: American Nuclear Society.

Johnson, W.B. (1990). [Advanced technology for aviation maintenance](#). *Proceedings of Human Factors in Aviation Maintenance and Inspection*. Washington, DC: Federal Aviation Administration Office of Aviation Medicine; also in *Proceedings of The FAA Training Technology Symposium*. Washington, DC: FAA Office of Training and Higher Education.

Johnson, W.B. (1990). Advanced technology for aviation maintenance training: an industry status report and development plan. *Proceedings of the 34th Annual Meeting of the Human Factors Society*. Orlando, FL: The Human Factors Society.

Johnson, W.B. Speaker. "Human Factors Training: Program Review." Air Transport Association. October, 1990.

Johnson, W.B. Speaker. "National Human Factors Plan: Training." American Aircraft Industries Association. January, 1991.

Johnson, W.B. Speaker. "National Plan for Aviation Human Factors." Aviation Technician Education Council. April, 1991.

Johnson, W.B. Speaker. "Aviation Medicine Human Factors Research." Air Transport Association. April, 1991.

Johnson, W.B. & Shepherd, W.T. (1991). Human factors in aviation maintenance: research and development in the USA. *Proceedings of the ICAO Flight Safety and Human Factors Seminar*. Douala, Cameroon.

Johnson, W.B. (1991). The national plan for aviation human factors: maintenance research issues. *Proceedings of the 35th Annual Meeting of the Human Factors Society*. San Francisco, CA: The Human Factors Society.

Johnson, W.B. Speaker. "Advanced Technology Training." Civil Aeromedical Institute. October, 1991.

- Johnson, W.B. (1992). Enhancing human performance in maintenance with automated information and training. *Proceedings of the FAA/NASA Conference on Artificial Intelligence and Human Factors in Air Traffic Control and Aviation Maintenance*. Daytona Beach, FL: Embry Riddle Aeronautical University.
- Johnson, W.B. Speaker. "Portable Job Aids: A Concept." Flight Standards Training & Automation Committee. July, 1992.
- Johnson, W.B. Speaker. "Advanced Technology Training Trends." FAA Administrator's Blue Ribbon Panel on AMT/Pilot Shortage. August, 1992.
- Johnson, W.B. Speaker. "Training Evaluation at Delta Air Lines." ATA Maintenance Training Committee. October, 1992.
- Johnson, W.B. (March/April, 1993). Ongoing research: The human factors that affect maintenance. *Aircraft Technician*. p.42.
- Johnson, W.B. (in press). Computer-based approaches for enhancing human performance in aviation maintenance. In *Proceedings of the ICAO Flight Safety and Human Factors Symposium*. April 11-15, 1993.
- Johnson, W.B. (in press). Human factors research: Can it have an impact on a financially troubled U.S. aviation industry? *1993 Human Factors Society Meeting*.
- Johnson, W.B., Layton, C. F., & Norton, J. E. Speakers. "Information Systems." ATA Portable Maintenance Access Terminal Standards Working Group. October, 1992.
- Johnson, W.B. & Norton, J.E. (1991). Using intelligent simulation to enhance human performance in aircraft maintenance. *Proceedings of the 1991 International Conference on Aging Aircraft and Structural Airworthiness* (NASA Conference Publication 3160). Washington, DC: Federal Aviation Administration and National Aeronautics and Space Administration.
- Johnson, W.B. & Norton, J.E. (1992). Integrated systems for training, aiding, and information retrieval. *Proceedings of the East-West Conference on Emerging Technology in Education*. Moscow, Russia.
- Johnson, W.B. & Norton J.E. (1992). Integrated information for maintenance training, aiding, and on-line documentation. In *Proceedings of the 36th Annual Meeting of the Human Factors Society*. Atlanta, GA: The Human Factors Society.
- Johnson, W.B., Norton J.E., and Utsman L.G. (1992). [New technology for the schoolhouse and flightline maintenance environments](#). In *Proceedings of the 7th FAA Conference on Human Factors in Aircraft Maintenance and Inspection*. Washington, DC: FAA Office of Aviation Medicine.
- Johnson, W.B. & Shepherd, W. T. (1993). Distance learning and human performance enhancement: Advanced technologies can be transferred from current FAA research and development. CAMI Distance Learning Meeting. April 5-6, 1993.
- Johnson, W.B. & Shepherd, W. T. (1993). The impact of human factors research on commercial aircraft maintenance and inspection. *Proceedings from the Flight Safety Foundation 46th Annual International Air Safety Seminar*. November 8-11, Kuala Lumpur.

Layton, C.F. (1992). [Emerging technologies for maintenance job aids](#). In *Proceedings of the 7th FAA Conference on Human Factors in Aircraft Maintenance and Inspection*. Washington, DC: FAA Office of Aviation Medicine.

Layton, C.F. (in press). Pen computer technology and electronic performance support systems: An application. *1993 SALT Conference*.

Layton, C.F., Smith, P.J., McCoy, C. E., & Bihari, T.E. (1992). An empirical evaluation of tools to aid in enroute flight planning. In *Proceedings of the 36th Annual Meeting of the Human Factors Society*. Atlanta, GA: The Human Factors Society.

Layton, C.F., Smith, P.J., McCoy, C.E., & Bihari, T.E. (1992). An empirical evaluation of computer-based tools to aid in enroute flight planning. In *Proceedings of the Institute of Electrical and Electronics Engineers 1992 Conference on Systems, Man and Cybernetics*.

Layton, C.F. & Johnson, W. B. (1993). Job performance aids for the flight standards service. *1993 Human Factors Society Meeting*.

Layton, C.F., Shepherd, W. T., Johnson, W. B., & Norton, J. E. (1993). Enhancing human reliability with integrated information systems for aviation maintenance. In *Proceedings of the Annual Reliability and Maintainability Symposium*.

Norton, J.E. (1992). [Intelligent simulation for maintenance training](#). In *Proceedings of the 7th FAA Conference on Human Factors in Aircraft Maintenance and Inspection*. Washington, DC: FAA Office of Aviation Medicine.

Norton, J.E. (1993). Environmental control system tutor: Combining simulation-based training with intelligent tutoring. *1993 SALT Conference*.

Norton, J.E., Pearce, M., & Thompson, D. Speakers. Presentation on ECS Tutor. John Moore, Director of School of Aviation Maintenance, Clayton State College. April, 1992.

Pearce, M. (1993). How much is enough: Choosing a computer-based video technology. In *Proceedings of the 1993 Association for Applied Interactive Multimedia Conference*.

Pearce, M. (1993). The system is the expert: Architecture for a model-based tutor. In *Proceedings of the 1993 Human-Computer Interaction International Conference*.

BioTechnology, Inc.

Parker, J.F. (1989). Aviation maintenance parameters. In *Human Factors Issues in Aircraft Maintenance and Inspection*. Washington, DC: FAA Office of Aviation Medicine.

Parker, J.F. (1992). [A human factors guide for aviation maintenance](#). In *Proceedings of the 7th FAA Conference on Human Factors in Aircraft Maintenance and Inspection*. Washington, DC: FAA Office of Aviation Medicine.

Parker, J.F. & Shepherd, W.T. (In press). The management of human resources in air transport operations. In R. L. Dehard (Ed.), *Fundamentals of aerospace medicine* (2nd ed.). Philadelphia: Lea & Febiger.

Aviation Education Consultants

Eiff, G.M. & Eismin, T.K. (1992). Recruitment, selection, training and placement of non-traditional workers in aviation maintenance. Paper presented to the FAA Blue Ribbon Panel on Shortage of Pilots and Aviation Maintenance Technicians.

Taylor

Taylor, J.T. (1990). [Facilitation of information exchange among organizational units within industry](#). In *2nd FAA Meeting on Human Factors Issues in Aircraft Maintenance and Inspection Final Report*. Washington, DC: FAA Office of Aviation Medicine.

Taylor, J.T. (1990). [Organizational context in aviation maintenance: Some preliminary findings and training implications](#). In *3rd FAA Meeting on Human Factors Issues in Aircraft Maintenance and Inspection Final Report*. Washington, DC: FAA Office of Aviation Medicine.

Taylor, J. T. Speaker. "Managing People." ATA Engineering & Maintenance Forum. October, 1991.

Taylor, J. T. & Goglia, J. Speaker. "Human Factors." ATA Engineering, Maintenance, & Material Forum. October, 1992.

Taylor, J.T. & Robertson, M.M. (1992). New directions of "CRM" training. In *Proceedings of the 36th Annual Meeting of the Human Factors Society*. Atlanta, GA: The Human Factors Society.

Stelly, J. & Taylor, J.T. (1992). [Crew coordination concepts for maintenance teams](#). In *Proceedings of the 7th FAA/AAM Meeting on Human Factors Issues in Aircraft Maintenance and Inspection*. Washington, DC: FAA Office of Aviation Medicine.

Thackray, R.

Thackray, R. Speaker. FAA Human Factors Program in Aging Aircraft Maintenance & Inspection. International Conference on Aging Commuter Aircraft. April, 1989.

SUNY

Drury, C. G. Committee Member. *National Plan for Aviation Human Factors*. Throughout 1990.

- Drury, C.G. (1990). Design for inspectability. In *Proceedings of the IEA Human Factors in Design for Manufacturability and Process Planning*. Honolulu, HI.
- Drury, C. G. (1990). Exploring search strategies in aircraft inspection. In *Proceedings of the Second International Conference on Visual Search*. England: University of Durham.
- Drury, C.G. (1990). The information environment in aircraft inspection. In *Final Report - Second Federal Aviation Administration Meeting on Human Factors Issues in Aircraft Maintenance and Inspection*. Washington, DC: FAA Office of Aviation Medicine.
